

Simplify your School Sports Administration.

A Giant Leap for Sports Administration!

School sports administration has been simplified and streamlined with the forward thinking of the SportsCap Sports Management Software.

Dated and time-consuming manual processing is a thing of the past with SportsCap's easy to use and slick interface.

Integration is the buzz word and that is exactly what this software does.

With exciting features such as automatic age banding logic, the ability to capture team sheets, fixtures, and results as well as load reports and essential data, **seamless integration into Edupac's already established software**, as well as automatic **BokSmart integration**, SportsCap provide a full circle sports administrative solution.

SportsCap are the developers and official software partners for BokSmart and is proud to announce the launch of this exciting new software for 2022.
